Parting Time

RockStar

Parting time i remember the days when you're here with me those laughters and tears we shared for years hmmm mem'ries that we had for so long it's me and you now you're gone away you left me all alone Go on do what you want but please don't leave me you'll break my heart hey, what should i do babe, i'm missin' you please don't disappear these are the words that you should hear time and time again i wish that you were here I don't wanna lose you girl, i need you back to me i don't wanna lose you baby, can't you see oh, i need you you've been a part of me i wish someday you'll be back home 'cause i really miss you, darling please come home I wish someday you'll be back home 'cause i really miss you, darling please come home
