

Someday We'll Know

New Radicals

Ninety miles outside chicago
Can't stop driving i don't know why
So many questions i need an answer
Two years later you're still on my mind
What ever happened to Emilia Airheart
Who holds stars up in the sky
It's true love just once in a lifetime
Did the captain of the titanic cry
Someday we'll know
if love could move a mountain
Someday we'll know why the sky is blue
Someday we'll know
why i wasn't meant for you
Does anybody know the way to Atlantis
Or what the wind says when she cries
I'm speeding by the place that i met you
For the ninety-seventh time ... tonite
Someday we'll know if love could move a mountain
Someday we'll know why the sky is blue
Someday we'll know
why i wasn't meant for you
Someday we'll know why Samson loved Dilaila
One day i'll go dancing on the moon
Someday you'll know
that i was the one for you
I bought a ticket to the end of the rainbow
I watch the stars crash in the sea
If i could ask God just one question
Why aren't you here with me ... tonite
Someday we'll know if love could move a mountain
Someday we'll know
why the sky is blue
Someday we'll know
why i wasn't meant for you
Someday we'll know why Samson loved Dilaila
One day i'll go dancing on the moon
Someday you'll know that i was the one for you
