U2

Is it getting better?
Or do you feel the same?
Will it make it easier on you now?
You got someone to blameYou say, one love, one life
When it's one need in the night
One love, we get to share it
Leaves you baby if you don't care for itDid I disappoint you?
Or leave a bad taste in your mouth?
You act like you never had love
And you want me to go withoutWell it's too late tonight
To drag the past out into the light
We're one but we're not the same
We get to carry each other, carry each other
One!

Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus?

To the lepers in your headDid I ask too much? More than a lot

You gave me nothin' now it's all I got

We're one but we're not the same

Well we hurt each other then we do it againYou say love is a temple, love a higher law

Love is a temple, love the higher law

You ask me to enter but then you make me crawl

And I can't be holdin' on to what you got

When all you got is hurtOne love, one blood

One life, you got to do what you should

One life, with each other

Sisters, brothers

One life but we're not the same

We get to carry each other, carry each other
