

50 Million Year Trip (Downside Up)

Kyuss

I am drinking
I am rolling
(You can't stop me)
I am hiding
I am running
(You can't stop me)But I'll never forget you
(Anyway)
But I'll never forget you
(Anyway)
But I'll never forget you
(Anyway)
But I'll never forget you
I am drinking
I am rolling
(You can't stop me)
I am running
I am rolling
(You can't stop me)But I'll never forget you anyway
But I'll never forget you anyway
But I'll never forget you anyway
But I'll never forget you
See our family to realize
As it's running down today
I love the city love, the dayNo fool for you, in this I am
I'm never gonna run about
