

No Money no Love (feat. Elliphant & Ms. Dynamite)

David Guetta & Showtek

Yeah yeah yeah yeah eh eh
Born in this world
I say it's no money no love
No money no love
Yeah yeah yeah
In case you wanna hear it again
It's no money no love
No money no love
Yeah yeah yeah It's sure you love me now as the world is in my favor
Watch me while I disappear
No money no love
(Yeah yeah yeah) Oh
I get my heart scarred
From all my sins (Hey)
Was my payback to never feel old again
Do you see the scars bruising my skin
Oh I wish I could erase them and start all over again
Yeah maybe I should get down on my knees and I'll still be forgiven
For what I've done Born in this world
I say it's no money no love
No money no love
Yeah yeah yeah
In case you wanna hear it again
It's no money no love
No money no love (No money no love)
Yeah yeah yeah (No money no love)
It's sure you love me now as the world is in my favor
Watch me while I disappear
No money no love (Yeah yeah yeah) Who do I call when the world's closing in
Is it too late for me to be dead
I'd give my life to be loved again
I'd cross my heart and clap all night
Can you say this dealer, have some mercy Maybe I should get down on my knees and I'll still be
forgiven
For what I've done Born in this world
I say it's no money no love
No money no love
Yeah yeah yeah
In case you wanna hear it again
It's no money no love

No money no love (No money no love)
Yeah yeah yeah (No money no love) It's sure you love me now as the world is in my favor
Watch me while I disappear
No money no love (No money no love)
No money no love, no
