

# Jumpshot

## Dawin

Let's give it a shot, you and I on the court  
Time ticking on the clock, baby, I'mma try to score  
Cause you the hottest on the block  
Nothin' dimmin' your light  
But all the options that you got wouldn't ever treat you right, no  
I don't need a telescope to see the you're the one  
But I do need your time and if ain't yours, I'd rather have none  
I don't need a fortune teller to tell me my fortune  
I have a million signs that my fortune just begun  
You got me jumping like  
Boom shakalaka, boom shakalaka  
Boom shakalaka, boom shakalaka, boom  
Boom shaka, boom shake, ooh  
Wanna hold you down  
Boom shakalaka, boom shakalaka  
Boom shakalaka, boom shakalaka, boom  
Boom shakala, boom shakala, ooh  
Wanna hold you down  
I said, back at it again with the jumpshot  
I'm aiming for you and I won't stop  
Back at it again with the jumpshot  
We could lock it down, never unlock  
I said, back at it again with the jumpshot  
I'm aiming for you and I won't stop  
Back at it again with the jumpshot  
We could lock it down only if we give it a shot  
You and I on the court  
Time ticking on the clock, baby, I'mma try to score  
Cause you the hottest on the block  
Ain't nothin' dimmin' your light  
But all the options that you got. Wouldn't ever treat you right, no  
I don't need a telescope to see the you're the one  
But I do need your time and if ain't yours, I'd rather have none  
I don't need a fortune teller to tell me my fortune  
I have a million signs that my fortune just begun  
You got me jumping like  
Boom shakalaka, boom shakalaka  
Boom shakalaka, boom shakalaka, boom  
Boom shaka, boom shake, ooh  
Wanna hold you down  
Boom shakalaka, boom shakalaka  
Boom shakalaka, boom shakalaka, boom

Boom shakala, boom shakala, ooh  
Wanna hold you down  
I said, back at it again with the jumpshot  
I'm aiming for you and I won't stop  
Back at it again with the jumpshot  
We could lock it down, never unlock  
I said, back at it again with the jumpshot  
I'm aiming for you and I won't stop  
Back at it again with the jumpshot  
We could lock it down, never unlock  
Jumping into something, I don't really know what to expect  
But outta your team, you're the MVP and you'll never be less  
And baby, the past was nothing but practice, now I'm set  
When you give me access, I'll just sew my heart into your chest  
You got me jumping like  
Boom shakalaka, boom shakalaka  
Boom shakalaka, boom shakalaka, boom  
Boom shaka, boom shake, ooh  
Wanna hold you down  
Boom shakalaka, boom shakalaka  
Boom shakalaka, boom shakalaka, boom  
Boom shakala, boom shakala, ooh  
Wanna hold you down
