You forgot Queen Bitch, W-W-W-dot-com Read the 27th Psalm, sing along The Lord is the light of my salvation Thou shall fear when He calls So when you MC's come to eat up my flesh and blood Ya'll all will stumble and fall (ha ha!) Still that's not all, bitches have the gaul To be writin' my rhymes, said B.I.G. write my rhymes My nigga gone now, so who writin' my rhymes? No disrespect, ya'll bitches seekin' publishing checks (Lil' Kim)

If I'll tell ya, I'll tell ya now
(Queen Bee, Queen Bee)
Would you keep, just keep on feelin' me
(Wha? What?)
If I tell ya, I'll tell ya how I feel
(If I tell ya how I feel)

Would you keep bringing out the best in me?

Stop stressin' meKeep my jewels frozen like they've been in the freezer

Haters - if that don't please ya, I don't need ya

Even Mom Dukes live in an igloo

Bought my whole crew businesses for Christmas

Yeah, I see ya'll!

Colorful minks and things
Polars on ya shoulders, about a half in ya rings
Once, got to switch my pitch up
Pin-stripped suits with gauders with vests
Black pearls around the neck

Come on, ya'll chicks can't be serious
How's the weather down there my dear, I'm just curious
Been the sex symbol since Jack B. Nimble
You can never be me, you can only resemble
Copped the presidential suites for weeks, ya'll just a day out
One ass picture in a magazine, I gets a layout
My nigga gone now, so who writin' my rhymes?
No disrespect, ya'll bitches on them publishing checks(Lil' Kim)

If I'll tell ya, I'll tell ya now

(Queen Bee, Queen Bee)

Would you keep, just keep on feelin' me (Wha? What?)

If I tell ya, I'll tell ya how I feel (If I tell ya how I feel)

Would you keep bringing out the best in me? Stop stressin' meStop wastin' all of your time

Doin' all that rappin', cuttin' or writin'

Don't know that she's the Queen

Why can't you see?

Ya'll should just believe

Everyone's trying to tell youIf I talk freaky - then that's my business

If I dress freaky - then that's my business

Got folks praticin' how to spit like this

Sexy C-E-O makin' hits like this

HUH?! I know you pissed, but take some advice from me

In five years, you'll be as nice as me But right now, nah, ya'll ain't ready

I'm a single black female and this goes out to Heddy(Lil' Kim)

If I'll tell ya, I'll tell ya now

(Queen Bee, Queen Bee)

Would you keep, just keep on feelin' me (Wha? What?)

If I tell ya, I'll tell ya how I feel (If I tell ya how I feel)

Would you keep bringing out the best in me?

Stop stressin' meIf I'll tell ya, I'll tell ya now

(Queen Bee, Queen Bee)

Would you keep, just keep on feelin' me (Wha? What?)

If I tell ya, I'll tell ya how I feel (If I tell ya how I feel)

Would you keep bringing out the best in me? Stop stressin' me
