

# Midnight Blues

Joe Bonamassa

It's the darkest hour of the darkest night  
It's a million miles from the morning light  
Can't get no sleep, don't know what to do  
I've got those midnight blues  
When the shadows fall, I feel the night closing in  
There must be some reason for this mood I'm getting in  
Can't get no sleep, don't know what to do  
I've got those midnight blues  
Every evening after sundown  
As the light begins to fade  
I feel so low, but I just don't know  
Why these blues won't go away  
Every evening after sundown  
As the light begins to fade  
I feel so low, but I just don't know  
Why these blues won't go away  
It's the darkest hour of the darkest night  
It's a million miles to the morning light  
Can't get no sleep, don't know what to do  
I've got those midnight blues  
I've got those midnight blues  
I've got those midnight blues  
I've got those midnight blues
