

# Beach In Hawaii

Ziggy Marley

On the beach in Hawaii I wish you were here with me  
walking on the beach in Hawaii  
playing on the golden sand  
looking at the ocean now I understand  
love is like the open sea  
and I wish you were here with me  
on the beach in Hawaii Since you've been gone away  
I think about you everyday  
don't you know I miss you much  
and you know I need your touch  
I'm on a rocky cliff  
oh I wish you were here with me  
on the beach in Hawaii  
A little pakalolo  
and I say mahalo  
ujjayi breathing  
to get a real feeling  
yogi gonna let you know  
that I wish you were here with me  
on the beach in Hawaii  
in Hawaii
