

Oh No

Noreaga

Bounce wit me, bounce, bounce, bounce 2x
Yeah Yeah 2x
Oh Oh No No 2x
WHAT WHAT WHAT 2xI bust to the scening cuss to the scening
I admit a little bit I lust for the crideam
Everytime you see me see me biggin up my teaming
on the dream of winning trying to make crideam
Thugged out even when you catch me in the cuisine
my clan mad dirty yall too cliddean (clean)
Hennessy and Smirnoff make a nigga middean (mean)
I need two more like I was a fiddean (fiend)
Drinks galore everytime I'm in the citting (city)
0 to 60 didn't want a sixteening
You see it in my coats or you see it in my jizzeans (jeans)
you can't tell you should know the way I lizzean (lean)
Water so clear I think I'm in Carribbing (Carribbean)
