let the midnight special shine its ever-loving light on me
well, shine a light on
and it would be long
well, shine a light on
let the midnight special shine its ever-loving light on me

let the midnight special shine its ever-loving light on me
well, shine a light on
and it would be long
well, shine a light on
let the midnight special shine its ever-loving light on meoh, light on x2
oh, let the midnight special shine its ever-loving light on me
oh, light on
and it wouldn't be long
