## **O** Holy Night

## **Jennifer Nettles**

O Holy night, the stars are brightly shining It is the night of our dear Saviour's birth Long lay the world in sin and error pining 'Til He appeared and the souls felt its worth A thrill of hope the weary world rejoices For yonder breaks a new and glorious mornFall on your knees! Oh hear the angel voices O night divine! O night when Christ was born O night divine! O night, O night divine Truly He taught us to love one another His law is love and His gospel is peace All chains shall He break everyone is our brother And in His name all oppression shall cease Sweet hymns of joy in grateful chorus raise we With all our hearts we praise His holy name Fall on your knees! Oh hear the angel voices O night divine! O night when Christ was born O night divine! O night, O night divine! Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
