

Miserable

Tokyo Police Club

I wanna travel to the future again
I wanna travel to the future
I wanna travel to the future.
Again I heard about it from a friend of a friend
I heard about it from a friend of a friend I get miserable
When I am totally blinded
By the sun in my eyes
I get miserable
And I feel I'm the only one
Who gets this way sometimes I wanna live in the Bahamas, uh huh
I wanna live in the Bahamas with ya
I heard about it from a friend of a friend (of a friend!)
I heard about it from a friend of a friend I get miserable
When I am totally blinded
By the sun in my eyes
I get miserable
And I feel I'm the only one
Who gets this way sometimes I get miserable
Do you get miserable? I get miserable
Do you get miserable?
???
Can I come inside for a change?
Made of glass and I'm falling fast
All the way
I've said it once
And I'll say it again Act nice, but my body is falling apart
Dress rich, but my body is falling apart
Keep going, but my body is falling apart
Apart Act nice, but my body is falling apart
Dress rich, but my body is falling apart
Keep going, but my body is falling apart
Apart I wanna travel to the future, uh huh
And get away
