## Reflection

## Christina Aguilera

Look at me You may think you see Who i really am But you'll never know me Every day, is as if I play a part Now I see If I wear a mask I can fool the world But I cannot foolMy heart Who is that girl I see Staring straight back at me? When will my reflection show Who I am inside? I am now

In a world where I have to Hide my heart And what I believe in

But somehow

I will show the worldWhat's inside my heart

And be loved for who I am

Who is that girl I see

Staring straight back at me?

Why is my reflection

Someone I don't know? Must I pretend that I'm

Someone else for all time?

When will my reflection show

Who I am inside?

There's a heart that must

Be free to fly

That burns with a need

To know the reason why

Why must we all conceal

What we think

How we feel

Must there be a secret meI'm forced to hide?

I won't pretend that I'm

Someone else

For all time

When will my reflection show

Who I am inside?

When will my reflection show

Who I am inside?
