

Don't Close Your Eyes

Sam Tinnesz

Intro Ahhh, Ahhh 4x
Ooooooh, Ooooooh When All Hope Is Vanished
When All Hope Is Lost
One Beat Left Standing
The Life Beat Of Cause All Hope Is Vanished
But All Is Not Lost Don't Close Your Eyes
We Must Stand In The Face Of The Dark
There's Nowhere To Hide
At The Seams The World Is Coming Apart
Fear Is A Blinding Light
But Don't Close Your Eyes
Ahhh, Ahhh When Trust Dissapears
(Ahhh, Ahhh)
Like Smoke In The Sky
(Ahhh, Ahhh)
What Will We Call My Face When We Last Through The Night
(When We Last Through The Night) All Hope Is Vanished
But All Is Not Lost Don't Close Your Eyes
We Must Stand In The Face Of The Dark
There's Nowhere To Hide
At The Seams The World Is Coming Apart
Fear Is A Blinding Light
But Don't Close Your Eyes
We Can't Have Known This
What With The Darkness
We Will Push Through This
We Will Survive
We Will Survive Oooooohhhhhh We Will Survive Oooo, Weee, Oooooo Don't Close Your Eyes
We Must Stand In The Face Of The Dark
There's Nowhere To Hide
At The Seams The World Is Coming Apart Don't Close Your Eyes
We Must Stand In The Face Of The Dark
There's Nowhere To Hide
At The Seams The World Is Coming Apart Fear Is A Blinding Light
(Blinding Light) Don't Close Your Eyes
