Hopeless

Khalid

Spend my time worrying of broken promises Focused on the smell of all the burnt out cigarettes My thoughts play on repeat Only comfort that I keep 'Cause in a moment I will be Something you will forgetHopeless, hopelessly romantic You, you got me stranded Ooh, I'm blue, blue, blueNow tell me was I ever something that you could regret I know I wasn't the one for you But at least I tried my best Surrounded by questions like, "Why'd you two part ways?" But if my memory's right You're the one that left I'll be hopeless hopelessly romantic You, you got me stranded Ooh, I'm blue, blue, blueUsed to lift me higher But I guess our time's expired I'm giving you the match Set our love on fireHopeless hopelessly romantic You, you got me stranded Ooh, I'm blue, blue, blueNow tell me was I ever something that you could regret I know I wasn't the one for you But at least I tried my best Surrounded by questions like, "Why'd you two part ways?" But if my memory's right You're the one that left I'll be hopeless hopelessly romantic You, you got me stranded Ooh, I'm blue, blue, blue Ooh yeah, I'm blue, blue, blue, oh Yeah, I'm blue, blue, blue Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
