

# Don't Let the Sun Go Down On Me (with Elton John)

George Michael & Elton John

I can't light  
No more of your darkness  
All my pictures  
Seem to fade to black and white I'm growing tired  
And time stands still before me  
Frozen here  
On the ladder of my life It's much too late  
To save myself from falling  
I took a chance  
And changed your way of life But you misread  
My meaning when I met you  
Closed the door  
And left me blind by the light  
Don't let the sun go down on me  
Although I search myself it's always someone else I see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me  
{Ladies and gentlemen, Mr. Elton John!} I can't find  
Oh, the right romantic line  
But see me once  
And see the way I feel Don't discard me, baby don't  
Just because you think I mean you harm  
Just because you think I mean you harm, oh  
But these cuts I have (cuts I have)  
They need love (they need love, they need love), to help them heal  
Oh, don't let the sun go down on me  
Although I search myself it's always someone else I see  
I'd just allow a fragment of your life to wander free, oh  
Cause' losing everything is like the sun going down on me  
Don't let the sun go down on me  
Although I search myself it's always someone else that I see, yeah  
I'd just allow a fragment of your life to wander free baby, oh  
Cause' losing everything is like the sun going down on me  
{Mr. Elton John}
