Two-Headed Boy, Pt. 2

Neutral Milk Hotel

Daddy please hear this song that I sing In your heart there's a spark that just screams For a lover to bring a child to your chest that could lay as you sleep And love all you have left like your boy used to be Long ago wrapped in sheets warm and wetBlister please with those wings in your spine Love to be with a brother of mine How he'd love to find your tongue in his teeth In a struggle to find secret songs that you keep wrapped in boxes so tight Sounding only at night as you sleep And in my dreams you're alive and you're cryin' As your mouth moves in mine soft and sweet Rings of flowers round your eyes and I love you For the rest of your life in yourBrother see we are one in the same And you left with your head filled with flames And you watched as your brains fell out through your teeth Push the pieces in place, make your smile sweet to see Don't you take this away, I'm still wanting my face on your cheekAnd when we break we'll wait for our miracle God is a place where some holy spectacle lies When we break we'll wait for our miracle God is a place you will wait for the rest of your life Two headed boy, she is all you could need She will feed you tomatoes and radio wires And retire to sheets safe and clean But don't hate her when she gets up to leave Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
