

# Millionaire (feat. Nelly)

## Digital Farm Animals & Cash Cash

I feel like a millionaire  
I feel like a millionaire  
Whenever she comes around  
Whenever I hear her sound  
I feel like a millionaire  
I feel like a millionaire  
Whenever she comes around  
Whenever I hear her sound  
She smell like money when she walk by  
All heat, no smoke, but she on fire  
If they suicide doors, then she gon' ride  
She got that passport pussy cause she don't fly, no love  
She gon' make you pay to see you work  
it  
She only twerk it for a Birkin  
I gotta see if shawty worth it  
Hey, she must be the money  
I feel like a millionaire  
I feel like a millionaire  
Whenever she comes around  
Whenever I hear her sound  
I feel like a millionaire  
I feel like a millionaire  
Whenever she comes around  
Whenever I hear her sound  
Shawty work her way, the way she go down  
Shawty worth her weight, her weight in gold pounds  
Call me young money, put that milli on me  
She the reason why I keep a milli on me  
Shawty work her way, the way she go down  
Shawty worth her weight, her weight in gold pounds  
Call me young money, put that milli on me  
Cause she the reason why I keep a milli on me
