

# Beautiful

## Carly Rae Jepsen & Justin Bieber

I know, I know it's been a while  
I wonder where you are, and if you think of me  
Sometimes, got you always on my mind  
You know I had it rough, trying to forget you but  
The more that I look around, the more I realize  
Woah oh Hello, I know it's been a while  
I wonder where you are  
And if you think of me  
Sometimes cause you're always on my mind  
You know I had it rough  
Tryin' to forget you but  
The more that I look around  
The more I realize  
You're all I'm lookin' for  
What makes you so beautiful  
Is you don't know how beautiful you are  
To me  
You're not tryin' to be perfect  
Nobody's perfect  
But you are  
To me (to me)  
It's how you take my breath away  
Feel the words that I don't say  
I wish somehow  
I could say them now  
Oh, I could say them now  
Yea  
Just friends  
The beginning or the end  
How do we make sense  
When we're on our own  
It's like you're the other half of me  
I feel incomplete  
Should have know  
Nothing in the world compares  
To the feelings that we share  
It's so not fair  
What makes you so beautiful  
Is you don't know how beautiful you are  
To me  
You're not tryin' to be perfect  
Nobody's perfect  
But you are  
To me (to me)  
It's how you take my breath away

Feel the words that I don't say  
I wish somehow  
I could say them now  
I could say them now  
Oh It's not you  
Blame it all on me  
I was running from myself  
Cause I couldn't tell  
How deep that we  
We were gonna be  
I was scared it's destiny  
But it hurts like hell  
Hope it's not too late  
Just a twist of fate What makes you so beautiful  
Is you don't know how beautiful you are  
To me  
You're not tryin' to be perfect  
Nobody's perfect  
But you are  
To me (to me)  
It's how you take my breath away  
Feel the words that I don't say  
I wish somehow  
I could say them now  
Oh, I could say them now  
Mmmm
