

Let's Have a War

Fear

There's so many of us
There's so many of us
There's so many There's so many of us
There's so many of us
There's so many Let's have a war
So you can go and die!
Let's have a war!
We could all use the money!
Let's have a war!
We need the space!
Let's have a war!
Clean out this place!
It already started in the city!
Suburbia will be just as easy! Let's have a war!
Jack up the Dow Jones!
Let's have a war!
It can start in New Jersey!
Let's have a war!
Blame it on the middle-class!
Let's have a war!
We're like rats in a cage! It already started in the city!
Suburbia will be just as easy!
Let's have a war!
Sell the rights to the networks!
Let's have a war!
Let our wallets get fat like last time!
Let's have a war!
Give guns to the queers!
Let's have a war!
The enemy's within! It already started in the city!
Suburbia will be just as easy!
