## Wrecking Ball

## **Miley Cyrus**

We clawed, we chained our hearts in vain We jumped, never asking why We kissed, I fell under your spell A love no one could denyDon't you ever say I just walked away I will always want you I can't live a lie, running for my life I will always want youI came in like a wrecking ball I never hit so hard in love All I wanted was to break your walls All you ever did was wreck me Yeah you, you wreck me I put you high up in the sky And now, you're not coming down It slowly turned, you let me burn And now, we're ashes on the groundDon't you ever say I just walked away I will always want you I can't live a lie, running for my life I will always want youI came in like a wrecking ball I never hit so hard in love All I wanted was to break your walls All you ever did was wreck me I came in like a wrecking ball Yeah, I just closed my eyes and swung Left me crashing in a blazing fall All you ever did was wreck me Yeah you, you wreck me I never meant to start a war I just wanted you to let me in And instead of using force I guess I should've let you in I never meant to start a war I just wanted you to let me in I guess I should've let you winDon't you ever say I just walked away I will always want youI came in like a wrecking ball I never hit so hard in love All I wanted was to break your walls All you ever did was wreck me I came in like a wrecking ball Yeah, I just closed my eyes and swung Left me crashing in a blazing fall All you ever did was wreck me Yeah you, you wreck me
