

# Mercy

## Muse

Help me, I've fallen on the inside  
I tried to change the game  
I tried to infiltrate, but now I'm losing  
Men in cloaks always seem to run the show Save me from the ghosts and shadows  
Before they eat my soul  
Mercy  
Mercy Show me mercy  
From the powers that be  
Show me mercy  
Can someone rescue me?  
Absent gods and silent tyranny  
We're going under  
Hypnotized by another puppeteer  
And tell me why the men in cloaks always have to bring me down  
Running from the ghosts and shadows  
The world just disavows  
Mercy Mercy  
Show me mercy  
From the powers that be  
Show me mercy  
Can someone rescue me?  
Show me mercy  
Show me mercy please  
Help me, I've fallen on the inside  
And all the men in cloaks trying to devour my soul  
Show me mercy  
From the powers that be  
Show me mercy  
From the gutless and mean  
Show me mercy  
From the killing machines  
Show me mercy  
Can someone rescue me?
