It's My Life

Dr. Alban

It's my life take it or leave it Set me free what's that crap papa-knew-it-all I got my own life you got your own life Live your life and set me free Mind your business and leave my business You know everything papa-knew-it-all Very little knowledge is dangerous Stop bugging me stop bothering me Stop bugging me stop forcing me Stop fighting me stop yelling me It's my life It's my life it's my life my worries! It's my life it's my life my problems! It's my life it's my life my worries! It's my life it's my life my problems!It's my life do you understand I live the way I want to live I make decisions day and night Show me signs and good examples Stop telling me how to run your business Take a trip to east and west You find that you don't know anything Every's getting tired of you Sometimes you have to look and listen You can even learn from me Little knowledge is dangerous It's my life(Repeat) It's my life set me free So you bed so you lie What you see is what you get Listen to people and sort things out Things I do I do them no more Things I say I say them no more Changes come once in lifeStop bugging me stop bothering me Stop bugging me stop forcing me Stop fighting me stop yelling meStop telling me stop seeing me It's my life.

(Repeat)
It's my lifeOhhhhhhhh yeah

It's my life... Stop bugging me stop bothering me
It's my life... Stop forcing me stop yelling at me
It's my life... it's my lifeIt's my life... Stop bugging me stop bothering me
