

New Guy (feat. Ace Hood)

Sarkodie

I'm the new guy
I made it from the slums back in Africa where most of my niggas committed suicide
Every story got a two-side
T-shirt tryna make it to the suit and tie
You know a nigga gotta survive, it's do or die
We gotta make it and it's really up to you and I
Started from the bottom, nigga really did a lot
So tell me who am I?
Obi su fr? ne Nyame na boys ngyina h?
Nti y? a mo ma m'asum ndwo me na me p? m'anim ak?
M'apromise me fans s? kanea na a ?w? m'akyi n'as?
S?nea me y? ne daa no T.B Joshua y? ne synagogue
M'arappe ama me jacket akyi ay? duduudu, n'akyi n'af?

Rappers ?nmovie me nowadays, shutouts to Senavoe
Rap no firi m'anum, pagagagagaga. s? teab?fr?
M'aspeedie flow no from kilo to tonnes
Rap firi America but it truly belongs to the blacks, so I'm free to curse on a song
Fuck around with me na me de spanner b?chukie wo lungs

ADLIBS/'s why I wake up every morning
I grind, stand up and sun down
Wake up knowing that people expect me to lead 'em to a win
When times is tough they look at me for answers
Hoping I can lift 'em off from their fears and progress
So I grind, Sunday to Monday

I'm that new guy Yeah... The beast of the South, on my worstest behaviour, don't make me
angrier
Couple shots all in ya dome and that turn ya shit to a stadium
Dr. Martin Luther King gotta had a dream nigga
Twenty bitches in my bed naked counting cheese nigga
Black man in a fuckin' beamer
Got a tipper toeing like a ballerina
Diamonds water water like a (-)
Serving bitches like the new subpoena
Only pieces on my cuban chain
Sell ya soul and get the birth of fame
Bought some waters with a broad damage in the stores, damn, not a thing change
Protesters is another lesson
Prison cells are getting too congested
Righteous living, fuck a suicide
New guys wearing suit and ties
Bossing up instead of talking nice
Shooting guys, prison time
Stacking money, build an enterprise
Be the one who niggas idolize
Counting money till my palms hurt
I remember they was way worse
Momma praying everyday at church
Being broke in every second hurts
Tryna shine boy you gotta grind, and just wait on time
That's just how it works
Good in the hood with my street tithes
I can't say the same for you new guys
ADLIBS/'s why I wake up every morning
I grind, stand up and sun down
Wake up knowing that people expect me to lead 'em to a win
When times is tough they look at me for answers
Hoping I can lift 'em off from their fears and progress
So I grind, Sunday to Monday
I'm that new guy Ace... Lemme take you to Africa
My people they love you
I came here, you showed me some love and I promise to build you a statue, uh!
Ace Hood akwaaba
And Sark is a hell of a nation
M'asigne wo din w? Kumasi, m'apem so, ny? ade? a wob?hia confirmationuhh... Sark medaase

Welcome Sarkodi, the United States where they selling narcotics
It's a pleasure my nigga

Wake up knowing that people expect me to lead 'em to a win
When times is tough they look at me for answers
