

# bitches

Tove Lo, Charli XCX, Icona Pop, Elliphant & ALMA

[Verse 1]

Appreciate it

Touch me like you know what you do and you don't

But I'm feeling jaded

Know your own love, I don't fuck with no glove

So why complicate it?

Let me be your guide when you eat my pussy out

'Cause I've had one or two, even a few

Yeah, more than you

[Pre-Chorus]

All these girls stare at me, drop lip

Dripping in harmony, like fifth

Lay 'em down, feel 'em up

And they slide away, so easy[Chorus]

Bitches, I don't trust 'em

But they give me what I want for the night

Bitches, I don't trust 'em

But I tell 'em and they do what I like

Why

Bitches, I don't trust 'em

But they give me what I want for the night

Bitches, I don't trust 'em

But I tell 'em and they do what I like

Why

[Verse 2]

They can't fake it

Drying off the seat when they getting up to leave

So (wet) they get noticed

I'm better if they blunt, I don't really wanna hunt

So why complicate it?

I call it respect when you givin' what you get

So, baby, spread your legs

I'll do the same

Already coming[Pre-Chorus]

All these girls stare at me, drop lip

Dripping in harmony, like fifth

Lay 'em down, feel 'em up

And they slide away, so easy[Chorus]

Bitches, I don't trust 'em

But they give me what I want for the night

(Give me what I want for the night)

Bitches, I don't trust 'em

But I tell 'em and they do what I like  
(Bitches doin' what I want, yeah)  
Why  
Bitches, I don't trust 'em  
But they give me what I want for the night  
Bitches, I don't trust 'em  
But I tell 'em and they do what I like  
Why  
Bitches, I don't trust 'em  
But they give me what I want for the night  
(What I want for the night)  
Bitches, I don't trust 'em  
But I tell 'em and they do what I like  
Why[Outro]  
Bitches, I don't trust 'em  
But they give me what I want for the night
