

How Do I Breathe

Mario

How do I breathe
How do I breathe hmmm hmmm
Feels so different being here
I'm so used to being next to you
Life for me is not the same
Theres no-one to talk to
Don't know why I let it go too far
Starting over it's so hard
Seems like everywhere I try to go I keep thinking of you
I just had a wakeup call
Wishing that I never let you fall
Baby your not to blame at all
When i'm the one that pushed you away
Baby if you knew I care
You never would've went nowhere
Girl I should have been right there
How do I breathe
Without you here by my side
How will I see
When Your love brought me to the light Where do I go
When your hearts where I lay my head
When your not with me
How do I breathe
How do I breathe
Girl I'm losing my mind
Yes I made a mistake
Thought that you would be mine
Guess the joke was on me
I miss you so bad I cant sleep
I wish I knew where you could be
Another dude is replacing me
Girl this cant be happening
I just had a wakeup call
Wishing that I never let you fall Baby your not to blame at all
When i'm the one that pushed you away
Baby if you knew I care
You never would have went nowhere
Girl I should have been right there And I wonder
How do I breathe
Without you here by my side
How will I see
When Your love brought me to the light

Where do I go When your hearts where I lay my head
When your not with me
How do I breathe How do I breathe mmm mmm.
Baby I dont wanna let go
Girl you need to come home
Back to me
Cause girl you made it hard to breathe
When your not with me
Tell me
How do I breathe
Without you here by my side
How will I see
When Your love brought me to the light
Where do I go
When your hearts where I laid my head
When your not with me
How do I breathe
How do I breathe
Without you here by my side
How will I see
When Your love brought me to the light
Where do I go
When your hearts where I laid my head
When your not with me
How do I breathe
How do I breathe
