

# New Song

## Howard Jones

I've been waiting for so long  
To come here now and sing this song  
Don't be fooled by what you see  
Don't be fooled by what you hear This is a song to all of my friends  
They take the challenge to their hearts  
Challenging preconceived ideas  
Saying goodbye to long standing fears Don't crack up  
Bend your brain  
See both sides  
Throw off your mental chains I don't wanna be hip and cool  
I don't wanna play by the rules  
Not under the thumb of the cynical few  
Or laden down by the doom crew  
Don't crack up  
Bend your brain  
See both sides  
Throw off your mental chains Don't crack up  
Bend your brain  
See both sides  
Throw off your mental chains I've been waiting for so long  
To come here now and sing this song  
Don't be fooled by what you see  
Don't be fooled by what you hear This is a song to all of my friends  
They take the challenge to their hearts  
Challenging preconceived ideas  
Saying goodbye to long standing fears  
Don't crack up  
Bend your brain  
See both sides  
Throw off your mental chains
