

# Overboard (feat. Miley Cyrus) [Live]

Justin Bieber

It feels like we've been out at sea  
Oh  
So back and forth that's how it seems  
Whoa  
And when I want to talk  
You say to me  
That if it's meant to be  
It will be  
Ohhhhhoh  
So crazy is this thing  
We call love  
And now that we've got it we just can't give up  
I'm reaching out for you  
Got me out here in the water and I  
I'm overboard  
And I need your love  
Pull me up  
I can't swim on my own  
It's too much  
Feels like I'm drowning without  
Your love  
So throw yourself out to me  
My life saver  
(Life saver Oh life saver)  
My life saver  
(Life saver Oh life saver oh)  
Wow  
I Never understood you when you'd say  
Oh  
You wanted me to meet you half way  
Oh  
Felt like I was doing my part  
You kept thinking you were coming up short  
Funny how things change  
Cause now I see  
Oh Wow  
So crazy is this thing  
We call love  
And now that we've got it  
We just can't give up  
I'm reaching out for you  
Got me out here in the water and I

I'm overboard (overboard)  
And I need your love  
Pull me up  
I can't swim on my own  
It's too much (It's too much)  
Feels like I'm drowning (Ooh)  
without your love  
So throw yourself out to me  
My life saver  
Oh  
It's supposed to be some give and take I know  
But your only taking and not giving any more  
So what will I do?  
(So what will I do?)  
Cause I still love you  
You're the only one who can save me  
Whoa  
Whoa  
Whoa  
Oh  
I'm overboard  
And I need your love  
Pull me up (Pull me up)  
I cant swim on my own  
It's too much (It's too much)  
Feels like I'm drowning  
Without your love  
So throw yourself out to me (Can't swim)  
My life saver  
(Life saver, Oh life saver)  
My life saver  
(It's crazy, crazy crazy)  
(Life saver Oh life saver)  
Life saver Oh  
My life saver  
(Life saver Oh life saver)  
Yeah
