

# Forever Young (Hamel Album Mix)

## Alphaville

Let's dance in style, let's dance for awhile  
Heaven can wait, we're only watching the skies  
Hoping for the best but expecting the worst  
Are you going to drop the bomb or not? Let us die young or let us live forever  
We don't have the power, but we never say never  
Sitting in a sandpit, life is a short trip  
The music's for the sad men Can you imagine when this race is won?  
Turn our golden faces into the sun  
Praising our leaders, we're getting in tune  
The music's played by the  
the madmen  
Forever young, I want to be forever young  
Do you really want to live forever  
forever or never  
Forever young  
I want to be forever young  
Do you really want to live forever? Forever young  
Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?  
It's so hard to get old without a cause  
I don't want to perish like a fleeing horse  
Youth's like diamonds in the sun  
And diamonds are forever  
So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams swinging out of the blue  
We let them come true  
Forever young, I want to be forever young  
Do you really want to live forever  
forever  
or never?  
Forever young, I want to be forever young  
Do you really want to live forever  
forever  
or never?  
Forever young, I want to be forever young  
Do you really want to live forever?
