

It's Only Us

Robbie Williams

And they want us to grow up
But we don't want to get a job
We all need a decent rock
Where it's all kicking offBaby it's all right
Baby it's all right
You don't need to cause a fuss
Baby it's all right
Baby it's all right
It's only us
We're just after cheaper thrills
Since the price went up on pills
From Stoke On Trent to Beverley Hills
You know it's all kicking offBaby it's all right
Baby it's all right
You don't need to cause a fuss
Baby it's all right
Baby it's all right
It's only us
It's only usRock me amadeusWell it's all kicking off
Baby it's all right
Baby it's all right
You don't need to cause a fuss
Baby it's all right
Baby it's all right
It's only us
It's only usYou don't need to cause a fuss
Baby it's all right
It's only us
