

The Weaver

Paul Weller

Can you put a smile back on all these different faces
Of all these people from such different places
And if you can succeed what then will you achieve
With a different tune to play you've been saving for a rainy day, hey
Will you heal the scar that's
on the years been wasted?
The tears spent on the past just filling spaces
Or is love forever gone banished to a smaller part?
Hide behind your wall and start to get to the very heart
Oh, an' if you wanna shoot the moon
Make sure that you know, why?
Careful fly too soon
Better let someone else try
I'm the weaver of your dreams, I get rid of your bogeyman
I'm here to smash the shell you're under
An' get you into another thing
I'm the weaver of your dreams, I put paid to the rocketman
I'm here to break the spell you're under
And get you started with another plan
Could you put a kiss back on the lips so twisted
Waiting for the chance to start dipping into wishes
Or is love forever gone, banished to a smaller part
Hide behind your wall and start to get to the very heart
Oh, an' if you wanna shoot the moon
Make sure that you know, why?
Careful fly too soon
Better let someone else try
I'm the weaver of your dreams, I get rid of your bogeyman
I'm here to smash the shell you're under
An' get you into another thing
I'm the weaver of your dreams, I put paid to the rocketman
I'm here to break the spell you're under
And get you started with another plan, with another plan
And in the midst of the darkest night
Think of me and hold me tight
So that I might live to see
All the weaving of my dreams
I'm the weaver of your dreams, I get rid of your bogeyman
I'm here to smash the shell you're under
An' get you into another thing
I'm the weaver of your dreams, I put paid to the rocketman
I'm here to break the spell you're under
And get you started with another plan
What 'bout it
Oh, get you into another thing
I'm the weaver of your dreams, I put paid to the rocketman
I'm here to break the spell you're under
And get you started with a, with another plan
Oh, with another plan

Oh, with another plan
