

# The Time of Our Lives

Miley Cyrus

Seems like we're holding on forever  
I gotta let it go  
Times up you pushed me to surrender tonight  
Who knows what's happens now, whatever  
Where ever the wind blows  
And I'm there as long as we're together  
AlrightLet's have the time of our lives  
Like there's no one else around  
Just throw your hands up high  
Even when they try to take us downWe'll have the time of our lives  
'Til the lights burn out  
Let's laugh until we cry  
Life is only what you make it now  
Let's have the time of our lives  
Dreamers don't care if its right  
I think I'm really into you  
Restless lets leave it all behind tonight  
Crazy when you cross my mind  
Oh, the trouble we could get into  
So what let's just give this a try  
AlrightLet's have the time of our lives  
Like there's no one else around  
Just throw your hands up high  
Even when they try to take us downWe'll have the time of our lives  
'Til the lights burn out  
Let's laugh until we cry  
Life is only what you make it now  
Let's have the time of our lives  
Looking back what are we waiting for?  
Take the chance, now's all we got for sureLet's have the time of our lives  
Like there's no one else around  
Just throw your hands up high  
Even when they try to take us downWe'll have the time of our lives  
'Til the lights burn out  
Let's laugh until we cry  
Life is only what you make it now  
Let's have the time of our lives
