

# Crazy Beautiful Life

Kesha

I'm in love all right  
With my crazy beautiful life  
With the parties, the disasters  
With my friends all pretty and plastered  
Every night we're down to go out  
Wakin' up on a different couch  
'Til the next night, on the next flight  
Yeah, I guess we're doing alright Oh oh oh  
We're fallin' in love  
Oh oh oh  
'Til the sun's comin' up  
Oh oh oh  
Just livin' the life  
Oh oh oh  
Every single night we fight  
To get a little high on life  
To get a little something right  
Something real  
At least we try  
Time after time  
Try dodging all the douchebag guys  
Try trading all the wasted times  
For something real  
In this crazy life I just hope some people see  
There's nothing that I'm trying to be  
Let me just stop all the shit talk  
I know I'm the new bitch on the block  
I've been through my sketchy phases  
Been broke, been a shitty waitress  
But I'm not now, guess it worked out  
Got here my running my mouth  
Oh oh oh  
We're fallin' in love  
Oh oh oh  
'Til the sun's comin' up  
Oh oh oh  
Just livin' the life  
Oh oh oh Every single night we fight  
To get a little high on life  
To get a little something right  
Something real  
At least we try

Time after time  
Try dodging all the douchebag guys  
Try trading all the wasted times  
For something real  
In this crazy life Every single night we... Every single night we fight  
To get a little high on life  
To get a little something right  
Something real  
At least we try  
Time after time  
Try dodging all the douche bag guys  
Try trading all the wasted times  
For something real  
In this crazy life Oh oh oh  
Oh oh oh  
Oh oh oh  
Oh oh oh
