

# Soaked

Adam Lambert

Soaked to the bone  
Sink like a stone  
Walk home alone  
It's not the first time, it's not the worst crime  
Your soul will be okay And you've had enough  
Searching for love  
And you miss the touch  
Of someone new  
Burned by your dreams  
It's never how it seems  
Cold crushed esteem  
Take shelter and hide forever  
Your soul will be okay And you've had enough  
Searching for love  
And you miss the touch  
Of someone new And you've had enough  
Searching for love  
And you miss the touch  
Of someone new  
Soaked to the bone  
Sink like a stone  
I will take you home  
It's not the first time, it's not the worst crime  
Our souls will be okay
