Back In the Game

[Airbourne](#)

Let's play!(First 3 lines need working out)Hear the roar of the crowd,Ten thousand loud,It's good to be back.Feel the sting of the sweat,On the back of my neck,It's been way too long.Like a ricochet,I hit the stage,Let's get it on!I'm back in the game,Breaking hearts again,You better watch out,Cos I'm back in the game!

I'm back in the game,Kicking ass again,No stopping me now,S'like I've never been away!So you better watch out,Cos I'm back in the game!I'm built to last,I'll never crash,I'm invincible tonight.Feel the energy,Running over me,Like a bolt from the sky.Go another round,In another town,I strike and then I'm gone.I'm a high octaneHurricane,
