## MadeinTYO

Oh

KY would, back wood

(KY Engineering)

Yeah

Walked out of Fifth like ohGucci, Polo, take a photo, check me out

I just walked out of Fifth wipe me out

I be gettin' to the check, don't play around

Watch how a real nigga put it down

Gucci, Polo, take a photo, check me out

I just walked out of Fifth wipe me out

I be gettin' to the check, don't play around

Watch how a real nigga put it down

Valentino, wanna cop the new sneaks

Yeah my baby miss me, I been gone for weeks

Hit that pussy once and put that ass to sleep

She might ride Louis V for the week

Piped up, I heard these niggas too sweet

Your shit don't jam like me, like me

They used to doubt a nigga now they wanna talk

I took her out to Lanna first class shop

800 on the sneaks, I'm too geeked

I've been booked up countin' racks all week

She wanna fuck me every time I'm in town

Makin' Shay lil' shawty hit the ground

They say they love me, I love you too

That bitch average, ain't got nothin' on you

I hate a nigga that be poppin' out the blue

The type that hate on you when you be makin' moves

Gucci, Polo, take a photo, check me out

I just walked out of Fifth wipe me out

I be gettin' to the check, don't play around

Watch how a real nigga put it down

Gucci, Polo, take a photo, check me out

I just walked out of Fifth wipe me out

I be gettin' to the check, don't play around

Watch how a real nigga put it down I done smoked a whole zip, I'm Kooji'd down

Came backwood, yeah we got that bounce

Copped that Polo messin' with the Gucci now

Got a check then I flew my granny out

Shawty eatin' good, yeah she thick as fuck

I feel like 2Pac when he hit 'em up

Diamonds dancin', I don't do the Gucci much

But copped a house so I don't give a fuck  
Don't do too much shawty, yeah you basic  
Don't do too much shawty, yeah you basic  
Don't do too much shawty, yeah you basic  
Oh, yeah  
Oh, yeah  
Oh, yeah  
Oh, skrt-skrt  
Oh, yeah  
Oh, skrt-skrt

South, uh, oh  
Gucci, Polo, take a photo, check me out  
I just walked out of Fifth wipe me out  
I be gettin' to the check, don't play around  
Watch how a real nigga put it down  
Gucci, Polo, take a photo, check me out  
I just walked out of Fifth wipe me out  
I be gettin' to the check, don't play around  
Watch how a real nigga put it down
