

100 Bad (feat. Charli XCX) [Charli XCX Remix]

Tommy Genesis

(100 bad bitches in the city)
G-g-g-good Work Charlie
100 bad bitches in the city
All the girls, they are so pretty
100 bad bitches in the city
All the girls, they are so pretty
Why do you want me, are you Annie?
All the bad bitches can't have me
Why do you want me, are you Annie?
All the bad bitches can't stand me
Christ, I opened the box
Looked down at the crystal rock
He like, "Wife, give me all you got"
And when I'm screamin', he's like, "Where's my cum?"
I'm like tongue up and down the stick
In the whip real low in the schoolgirl fit
We talkin' schemin', Bonnie and Clyde
100 bad bitches, one ride-or-die
I spit it, I lick it, I count it and I flip it
I need it, I want it, I need it, I want it
I spit it, I lick it, I count it and I flip it
I need it, I want it, I need it (I need it)
100 bad bitches in the city
All the girls, they are so pretty
100 bad bitches in the city
All the girls, they are so pretty
Why do you want me, are you Annie?
All the bad bitches can't have me
Why do you want me, are you Annie?
All the bad bitches can't stand me (stand me)
100—100—100—100—100 bad—
100—100—100—100—100 bad bitches—
We count it up, paper on the bed
Tied up all night with the booty high
We gettin' numb, cut the white up, kid
With the big lips gushin' out the sloppy tongue
We gettin' nas-ty
Make me lick it, then you take me to the back seat
We gettin' nas-ty
Make me lick it then you take me to the back seat

We count it up
100 bad bitches in the city
All the girls they are so pretty
100 bad bitches in the city
All the girls they are so pretty
Why do you want me, are you Annie?
All the bad bitches can't have me
Why do you want me, are you Annie?
All the bad bitches can't stand me
Uh, 100—100
100—100—bad—100
Bad bitches—bad
100—100—100—100
100—100—100—100—100 bad
100—100—100—100—100 bad bitches
100—100—bad
100 bad—bad
100—100—100 bad
100—100—100 bad
Bad bitches in the city
All the—
100—100 bad—
100—100 bad bitches—bad—
100 bad bitches—
All the girls—all the girls—all the—
100 bad
100—100—100 bad bitches
100—100 bad bitches
All the girls—so pretty
Hehe
