## Way To Break My Heart (feat. Skrillex)

## **Ed Sheeran**

Star sign, Gemini

Brown eyes, fair hair in the light

We called time last night

And I can't stop thinking 'bout herAnd her lips upon mine, so soft

Feelings I don't know the name of

Under the clothes we take off

Used to be two hearts in love

Oh why, oh why am I alone?

Did I, did I do something wrong?

Am I the reason or have you found someone else?

So tell me, girl

How can live without love?

How can I be what you want?

'Cause when the mornin' comes around

You're still gone and I'll say

How can I see through the dark?

All I can do is wonder where you are

Are you happy in someone else's arms?

Well, that's the way to break my(Heart)
