The Great Escape (Carmen Rizzo Mix)

BT

Paper bags and plastic hearts All our belongings in shopping carts It's goodbye But we got one more night Let's get drunk and ride around And make peace with an empty town We can make it rightThrow it away Forget yesterday We'll make the great escape We won't hear a word they say They don't know us anyway Watch it burn Let it die Cause we are finally free tonight Tonight will change our lives It's so good to be by your side But we'll cry We won't give up the fight We'll scream loud at the top of our lungs And they'll think it's just cause we're young And we'll feel so aliveThrow it away Forget yesterday We'll make the great escape We won't hear a word they say They don't know us anyway Watch it burn Let it die Cause we are finally free tonight All of the wasted time Hours that were left behind me Answers that we'll never find They don't mean a thing tonightThrow it away Forget yesterday We'll make the great escape We won't hear a word they say They don't know us anywayThrow it away Forget yesterday We'll make the great escape We won't hear a word they say They don't know us anywayThrow it away Forget yesterday We'll make the great escape

We won't hear a word they say They don't know us anyway Watch it burn Let it die Cause we are finally free tonight Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
