

# Darn That Dream (Chet Baker)

Chet Baker

I'm making believe that you're in my arms  
Though I know you're so far away  
Making believe, I'm talking to you  
Wish, you could hear what I say  
And here in the gloom of my lonely room  
We're dancing like we used to do  
Making believe is just another way of dreaming  
So 'til my dreams come true  
I'll whisper goodnight  
Turn out the light and kiss my pillow  
Making believe it's you  
I'm making believe that you're in my arms  
Though I know you're so far away  
Making believe, I'm talking to you  
Wish, you could hear what I say  
And here in the gloom of my lonely room  
We're dancing like we used to do  
Making believe is just another way of dreaming  
So 'til my dreams come true  
I'll whisper goodnight  
Turn out the light and kiss my pillow  
Making believe it's you  
And here in the gloom of my lonely room  
We're dancing like we used to do  
Making believe is just another way of dreaming  
So 'til my dreams come true  
I'll whisper goodnight  
Turn out the light and kiss my pillow  
Making believe it's you
