Fool (If You Think It's Over)

Chris Rea

Dyin' flame, you're free again
Who could love and do that to you?
All dressed in black, he won't be comin' back
Well save your tears, you got years and yearsThe pains of seventeen's
Unreal they're only dreams
Save your cryin' for the dayFool if you think it's over
'Cause you said goodbye
Fool if you think it's over
I'll tell you whyNew born eyes always cry with pain
At the first look at the mornin' sun
Fool if you think it's over
It's just begun
Miss teenage dream, such a tragic scene
He knocked your crown and ran away
First wound of pride and how you cried and cried
Well save your tears, you got years and yearsFool if you think it's over
Fool if you think it's overI'll buy you first good wine
We'll have a real good time
And save your cryin' for the dayFool if you think it's over
'Cause you said goodbye
Fool if you think it's over
I'll tell you whyNew born eyes always cry with pain
At the first look at the mornin' sun
Fool if you think it's over
It's just begun
New born eyes always cry with pain
At the first look at the mornin' sun
Fool if you think it's over
It's just begun yeahFool if you think it's over
Fool if you think it's over
