

One Wing

Jordin Sparks

Feels like I'm going down
A one way street in every direction
And I need, I need, I need heaven
To show me just a little affection 'Cause all of the signs
All, all, point towards back for me
And I wish I could get to run
To start and soar to my victory but (One wing)

I can't

(Fly with one wing)

Heaven, help me

(Fly with one wing)

I cannot

(Fly with one wing)

Oh, no, no matter how hard I try

(I can't)

No Feels like I'm running out of time
And I've got a whole lot of things on my mind
And I'm walking around in the dark
Trying to find just a little bit of sunshine No, no
I did everything to make it work
But still I'm all lost

Now I'm on the run with my life Waiting to take off but I
(One wing)

I cannot

(Fly with one wing)

Heaven, I'm gonna need some help

(Fly with one wing)

I can't, I can't, I can't

(Fly with one wing)

No matter how hard I try

(I can't) No

Always on my knees, I've been on my knees many of nights praying for the coming of my
victory, yeah, but there's always something there waiting to delay my flight.

I just can't get off my feet to reach my destiny, though it's where I can see

It's just too out of reach, no I can't, I can't, I can't fly with one wing

(One wing)

I can't

(Fly with one wing) No, I can't fly

(Fly with one wing)

With one wing

(Fly with one wing)

Hey, no matter how hard I try (I can't)

(One wing)
One wing, one wing
(Fly with one wing)
I can't pray all I want, sister
(Fly with one wing)
I can't, I can't, I can't, I can't, I can't, no
(Fly with one wing)
Fly, fly, fly
(Fly with one wing)
I can't, I can't, I can't, I can't fly with one wing
I can't, I can't, I can't, I can't fly with one wing
I can't, I can't, I can't, I can't fly with one wing
I can't, I can't, I can't, I can't fly with one wing
I can't, I can't, I can't, I can't fly with one wing
