BONES

[Chorus: Bones]
Give me the light, dope rolled up tight
Like some under armor
Give me the light, dope rolled up tight
Like some under armor
Give me the light, dope rolled up tight
Like some under armor
Give me the light, dope rolled up tight
Like some under armor
[Verse 1: Danny Brown]
Playing with my nose rolls up [?]
Nigga say the coca cola like a [?]
Hit a couple lines and I told my nigga roll-up
Left some blood on my Rollie when I went and wiped my nose up
It's a cold, cold world, gotta stay frosty
Kinda hard for me to keep these urges up off me
Demons on my back and they won't get off me
I escape but in the end it always costs me
[?] Think I even lost
Don't even know
Scared what I'ma do so I don't go out in public
I be like «fuck!»
Nigga got some hoes up
Glass skins skis so we all get frozed up
Never get enough
Can someone help me
Think I've fallen and I can't get up
Never get enough even though it ain't right
In these dark times just gimme that light
[Chorus: Bones]
Give me the light, dope rolled up tight
Like some under armor
Give me the light, dope rolled up tight
Like some under armor
Give me the light, dope rolled up tight
Like some under armor
Give me the light, dope rolled up tight
Like some under armor[Verse 2: Bones]
Blade in my coat, I don't need to scope
Shadow in the snow, yep, that's Bones
Never had hope, no, that's just «no»
Came from the place where kids-kids smoke

Bitch you can talk just don't double cross me
Catch you after eight like great lakes crossing
Buck knife on me, do a little carving
For my next trick, you appear in the coffin
Render you worthless, life isn't perfect
You don't deserve it, I flip it, inversion
I be that one, yeah the Witch that done cursed ya
Perforate permanent forever hurting
Cast me a spell vanish behind the curtains
Take on the physical form of exertion
Remember the day that we robbed the excursion
Easy to break in when friends are recurring
[?] the deliverance got us some cash
Woke up with rats fell asleep in the trash
I shut my eyes and try to go back
«Nah I'm too Cashed can you riddle me that?»[Refrain: Bones]
