

East Atlanta Day (feat. Gucci Mane & 21 Savage)

Zaytoven

East Atlanta Day
We don't fuck with 12, nigga
East Atlanta Day
Nigga, East Atlanta Day I just pulled up in a Lambo on East Atlanta Day
Drop top don, nigga, East Atlanta Day
I got all my jewelry on, nigga, East Atlanta Day
It's a trap holiday, nigga, East Atlanta Day
30's on the truck, nigga, East Atlanta Day
I'ma make them put it up, nigga, East Atlanta Day
Nigga we don't give a fuck, nigga, East Atlanta Day
Where ya from? Throw it up, nigga, East Atlanta Day
Walking through my hood, looking like a hundred bricks
I got all this ice on me, shouldn't even brought out all this shit
It's Zaytoven and C-Note and Big Gucci in this bitch
Nigga put his hands on me I'm goin' stupid in this bitch
Eight-figure Gucci and I'm lookin' like the shit
I got so much cash right now, don't know what to with all this shit
Yo girlfriend lookin' at me like a groupie in this bitch
So I'm boutta shoot my shot, I feel like Cupid in this bitch
This for Edgewood, this for Kirkwood, I brought Glenwood in this bitch
Got me feeling like a young nigga, might pull up with the stick
Two hundred thousand dollar watch, I look just like a lick
And the way lil' mama switchin' you can tell she from the 6
I just pulled up in a Lambo on East Atlanta Day
Drop top don, nigga, East Atlanta Day
I got all my jewelry on, nigga, East Atlanta Day (Brr!)
It's a trap holiday, nigga, East Atlanta Day
Drop top Chevelle, nigga, East Atlanta Day
I'ma give them hell, nigga, East Atlanta Day
