## **Be Healthy**

## **Dead Prez**

It's all loveI don't eat no meat, no dairy, no sweets
Only ripe vegetables, fresh fruit and whole wheat
I'm from the old school, my household smell like soul food, bro
Curried Falafel, barbecued TofuNo fish though, no candy bars, no cigarettes
Only ganja and fresh-squeezed juice from oranges
Exercising daily to stay healthy

exercising daily to stay hearthy

And I rarely drink water out the tap, 'cause it's filthyLentil soup is mental fruit

And ginger root is good for the youth Fresh veg-e-table with the ital stew

Sweet yam fries with the green calalloo

Careful how you season and prepare your foods

'Cause you don't wanna lose vitamins and miner-ules

And that's the jewel

Life brings life, it's valuable, so I eat what comesFrom the ground, it's natural

Let your food be your medicine no exceedin'

Strictly herb, generate in the sun, 'cause I got Melanin

And drink water, eight glasses a day

'Cause that's what they say They say you are what you eat, so I strive to be healthy

My goal in life is not to be rich or wealthy

'Cause true wealth comes from good health and wise ways

We got to start takin' better care of ourselvesThey say you are what you eat, so I strive to be healthy

My goal in life is not to be rich or wealthy

'Cause true wealth comes from good health and wise ways

We got to start taking better care of ourselves, be healthy y'all

Yeah, yeah, hold the fuck up, yo

We'll take this little intermission, listen what the

Fuck we gotta say, y'know?

Word is bond son, niggaz been livin' fat for too long, knowamsayin'?Smokin' bogeys, fuckin' drinkin' all types of shit
