

Proof

Coldplay

So I waited for you
What wouldn't I do
And I'm covered it's true
I'm covered in you And if I ever want proof
I find it in you
Yeah I honestly do
In you I find proof Light and dark
Bright spark
Light and dark
And then light
So I waited all day
What wouldn't I say
And are there things in the way
Things happen that way Oh and if I ever want proof
Then I find it in you
Oh, yeah I honestly do
In you I find proof
Light and dark
Bright spark
Light and dark
And then light Light, light, light, light
