

# To Die In L.A.

## Lower Dens

I wish I could  
count on you to be mine But here I'm not crying  
I'm just glad to be alive Time will turn the tide Time will turn the tide Time will turn the tide You  
never noticed  
Never cared or never knew And, oh, heartbreaker  
did you think I was a fool? Time will turn the tide Time will turn the tide  
Time will turn the tide
