

# Critical (feat. Tim William)

Travie McCoy

If the time is near  
Then fine, I've been waitin' patiently for years  
Fought lines in my mind  
I'm more unstable than I fear And I don't know, just take my hand  
It's time to go  
So just enjoy your blue moon, it'll be over soon  
So we might as well have some fun  
Right? It's getting critical  
Takes a minute for it to set in  
I'm unpredictable  
And I'm dyin' just tryin' to feel alive again  
If the time is near  
Don't cry, look me in the eyes and dry your tears  
Have a seat right here  
While Los Angeles disappears And I don't know, just take my hand  
It's time to go  
So just enjoy your blue moon, if we're gonna die soon  
Then we might as well have some fun  
Right? It's getting critical  
Takes a minute for it set in  
I'm unpredictable  
And I'm dyin' just tryin' to feel alive again It's getting critical  
Takes a minute for it set in  
I'm unpredictable  
And I'm dyin' just tryin' to feel alive again  
The clouds surround us, the light leaves us alone  
And the sky falls in your hand  
Embrace the moment 'cause now we're headin' home  
It couldn't be a sweeter end It's getting critical  
Takes a minute for it set in  
I'm unpredictable  
And I'm dyin' just tryin' to feel alive again The clouds surround us, the light leaves us alone  
(It's getting critical)  
And the sky falls in your hand  
(Takes a minute for it set in) Embrace the moment 'cause now we're headin' home  
(I'm unpredictable)  
It couldn't be a sweeter end  
(And I'm dyin' just tryin' to feel alive again)
