Rush (feat. Kardinal Offishall)

Rihanna

De gal them rush to feel the ill touch Gal them ball and gal them a scream De think ita love but a lust, Thats why a bad gal beside is a must for I bust Shes the angel of me consious yo yo voNever thought that I could feel somethin so strong I wanna hold on to this moment before its gone I wanna hold your body close its callin to me And when i look into your eyes Im likin what I see Boy dont hold back from me Just give me everything you got I wonder I can keep I know your gunna keep it hot catch a rush boy whenever we touch i go crazy Im feelin you baby I dream like this boy whenever we kiss i cant take it U know i cant fake it Yo yo yo Well im back with the boys and i knowin dat Dont watch my face my gal you know im coming back Most of mea gal them slide off easy like a thunder clap When I see you from the back you know me need all a dat yo yo yoDont even know your name But this feels so right Its like i known you boy for all of my life Dont need to say a word We both understand And my eyes are tellin you Catch me if you can Im fallin faster now You know u got me where u want To late i cant slow down No way we're ever gunna stop I catch a rush boy whenever we touch i go crazy Im feelin you baby I dream like this boy whenever we kiss i cant take it U know i cant fake itno i cant take it No i cant take it No noMy girl turn it around and cut it out And come a little close so you feel what im bout hereNo i cant take it No i cant take it No noMy girl turn it around bring it near Let me show you a thing dat a done ya careerIm fallin faster now You know u got me where u want To late i cant slow down

No way we're ever gunna stopI catch a rush boy whenever we touch i go crazy Im feelin you baby I dream like this boy whenever we kiss i cant take it U know i cant fake it Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
